

Confidentiality/ Information sharing

Connexions works closely with many organisations to help provide you with a better service.

Some of those we work with are:

- Children's Services
- Colleges
- Connexions services in other areas
- Health professionals
- Housing
- Jobcentres
- Learning and Skills Council
- Police
- Schools
- Training Providers
- Youth Offending Teams
- Youth Service
- Voluntary organisations such as Barnardo's, NCH Action for Children
- Greater Manchester Residuary Body who coordinate the Activity Allowance and Learning Agreement

Please be aware that there may be times when we will share information or receive information from these organisations.

We will always try to get your permission before we share any information about you but there may be occasions when this is not possible.

We will only record information about you that is given to us by other organisations if it is relevant to our service.

You have the right to see any information we hold about you. We can help you to arrange this.
